Acme Commercial Ways (Pvt) Ltd.

SERVING HUMANITY
SINCE 1960

We welcome you to the printed surgical instruments catalogue of Acme .

With this catalogue we aim to provide a reference guide to the range of surgical instruments that we produce.

Due to a very large selection of instruments available, only major categories are mentioned. Please contact us with any information you have concerning the products you are interested in. We have a comprehensive competitive database and are able to cross-reference most of the manufacturers/brands in the industry.
