MANUFACTURER IMPORTER & EXPORTERS oF
Plastic Surgery & Lipo-Suction Instruments

ACME

Commercial Ways (Pvt) Ltd.

www.acme-cw.com

ACME COMMERCIAL WAYS WAS ESTABLISHED IN 1960.

ABOUT US:

Acme people are driven by heart felt interest in healthcare, wherever their locations, what ever their positions and responsibilities, all share a genuine desire to understand and help the hospital and medical communities they serve. Acme commercial ways is one of the premier manufacturers of Surgical Instruments worldwide. Originally formed with the goal of producing Surgical Instruments for Surgery and specialty needs with exceptional design, engineering, high value and pleasing aesthetics, the company moved forward rapidly from the very first instrument manufactured, Acme set new bench mark for innovation and features new to the industry with in a few short years, the product line grew to broad array.

Today Acme poised for growth in the 21st century. Our aim is to provide high quality and reliable products to the healthcare community.

Acme is a company for people who cares and intend to set the standard of 21st century healthcare. We look forward to providing the medical community with unmatched sales, services and support.

acme

Commercial Ways (Pvt) Ltd.

All our Instruments are hand finished by experienced craftsmen at our purpose built production facility in Sialkot Pakistan.
We offer all our customers a comprehensive site tour to experience the Acme Commercial Ways brand for themselves.
